1002	Niville Foundation	Sarajevo - Nis - Tirana (SANITI) Jazz Youth Project	The project general aim is to reinforce intercultural dialogue and tolerance among youth in Serbia, BiH and Albania through joint music events. Project activities will be implemented in Sarajevo (BiH), Tirana (Albania) and Nis (Serbia). Project target group are: Young musicians from targeted WB (150 persons); education and cultural institutions (75 persons) and public authorities dealing with youth and culture (30 persons). Project should involve youth of different cultural, ethnic and religious backgrounds from BiH, Albania and Serbia in joint music events, enhance capacity for intercultural dialogue among stakeholders in targeted communities in BiH, Serbia and Albania and increase level of intercultural dialogue and tolerance in targeted communities in BiH, Serbia and Albania. The main activities are: capacity building activities such as multicultural jazz educational workshops for youth, exchange visits of jazz youth, networking activities such as seminars on use of jazz as socially-inclusive tool among youth for education and cultural institution professionals, Roundtables with local authorities, CSOs and media, joint concerts of SANITI Jazz Youth Band and information and communication activities. Total project duration: 7 months.	1	RS	CSO	Motus Adulescenti	BH	Syri Blu	AL	N/A	N/A	N/A	N/A	N/A	N/A	€ 46,700.00	93
1008	Novi Sad Humanitarian Centre	Youth Promoters - Enhancing Understanding, Building Intercultural Competences	The main objective of the project is to enhance intercultural dialogue and understanding in the region through promoting intercultural competences as tools for enhancing youth activism and youth employment. The project activities will take place in Sabac, Vladicin Han, Surdulica, Apatin, Kula, Novi Sad, Peja, Prizren and Gjakova. There will be mobility and training activities for youth promoters as well as training for trainers. 70 young people from Serbia and Kosovo* will be direct participants of the project activities. Experiences from this project will be gathered and published in a publication that will be shared in printed version and on-line. It will be prepared as one booklet in three languages (Serbian, Albanian, and English) in 500 copies. One-day conference will be held in Novi Sad and gather 50 stakeholders from target cities in the region, including representatives of youth offices, youth NGOs and youth informal groups / volunteers, touristic organizations, representatives of local governments, etc. Total project duration: 9 months	1	RS	CSO	Syri i Vizionit	KS	English language teachers and students association SOL	RS	N/A	N/A	N/A	N/A	N/A	N/A	€ 40,305.00	88
1009	Prva Gimnazija	Beyond Borders	The general aim of the project is preventive action in the fight against prejudice and overcoming differences by emphasizing equality. This should be done through the three-day workshop. After education, the debate and a round table will be held, students will learn how to make a video tutorial and then get the opportunity to make a travelogue about Sarajevo. Students will prepare a presentation of their culture and a travelogue about their city. They will also travel to partner Contracting Parties and prepare a workshop with their teacher, where they'll talk and discuss about interculturalism, human rights. The project is going to be held in Bosnia and Herzegovina, Montenegro, Serbia and Macedonia. The target group are all students from all four schools, because all activities will be presented in the departmental communities. In total, 48 students will be directly involved and all other students will be involved indirectly from all four schools. As part of this three-day training, two workshops will be held, the first will be "Knowledge of cultures", where students will learn about the term of culture, what it means for one nation, and the other will be a Master Class workshop – "Everyone has a culture, everyone is different" - on which students will learn about different cultures, traditions, their differences and similarities Total duration of the project: 5 months. ☺	1	BH	School	Šesta beogradska gimnazija	RS	Gimnazija Slobodan Skerović	ME	Gimnazija Josip Broz Tito	MK	N/A	N/A	N/A	N/A	€ 17,637.57	80
1014	Partnerë për Fëmijët	Albanian and Serbian Youth Actors for Social Inclusion Together!	The general aim of the project is to support and contribute to enhanced understanding and partnership between young people from northern Albania and southern Serbia through initiating peer to peer projects, activism and social inclusion. This will be done by preparing and formatting of youth groups in each of the target sites, conducting 3-day training for the youth groups in each location. The training workshops will be participatory and interactive with small group work and roles plays interspersed with the information sharing. Also, 3 trained Peer Leaders will develop and run 3-day workshops, youth groups will through discussions and support plan design a project, which afterwards will be implemented in their local community. Exchange study visit in Serbia and final conference in Albania are also one of the planned main activities. The project will take place in two locations in Albania and Serbia. The project will include a minimum of 80 youth aged between 15 and 30 years old from north east Albania and south Serbia. Total duration of the project: 9 months.	2	AL	CSO	Pomoc deci (Children and Youth Support Organisation)	RS	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	€ 39,824.86	80
1021	NGO ALPHA Centre	REACT1	Through different activities "REACT1" promotes the spirit of social inclusion and cooperation among young people in five Western Balkan making them ready for active role in building trust, stability and democracy in the region. The project activities will take a place in five Western Balkans (Montenegro, Bosnia and Herzegovina, Republic of Serbia, Kosovo and Republic of Macedonia). Venue of the Summer School REACT will be in Northern Montenegro (Gusinje Municipality). These locations are targeted because of its background in past two decades. Special attention will be paid at improving trust between young people inside B&H (Republic of Srpska and Federation of B&H) as well as between young people in Kosovo and Republic of Serbia. Also, the venue of Summer School REACT is chosen because it is geographically in a middle of the targeted area and multi ethnicity. The direct target group of the participants is young people in the age of 19-30 from five targeted contracting parties. At the Summer School REACT will participate 28 participants from WB. 1029	CCIS - Centre for Comparative and International Studies	Hacking Participation in the Balkans – Innovative ways of empowering Balkans youth to impact policy making processes	The general aim of this project is to enable Albanian and Serbian youth to impact policy and decision-making processes through active participation and better understanding of national and regional frameworks, and foster digital mobility as a long-term cooperation tool among WB&E youth. That will be done by conducting main activities of the project which are: workshops (Key competences for active participation and impact on policy processes with special focus in Serbia on social and civic competences, and with special focus in Albania on communication and digital competences). Also as activities there will be included study visits in Albania and Serbia (both organised as a one-day roundtable between youth, policy makers, civil society, media and private sector), working on online platform with mentors and conducting two hackaton events in Albania and Serbia. The project will take place in Tirana, Albania and Belgrade, Serbia. The participants are 16 young people, aged 18-20 years old, with equal participation from both Albania and Serbia. Focus will be placed on youth coming from marginalised communities such as Roma communities, remote rural areas or national minorities. Total duration of the project: 8 months.	2	AL	CSO	Centre for Education Policy (CEP)	RS	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	€ 37,035.00	90.5
1038	Grupa "Hajde da..."	"IS IT WARRING TIME AGAIN?" - using performances and short movies as a tool for reconciliation and advocacy against extremism in Western Balkans	The project general aim is to enable raising awareness about the roots of extremism and its potential devastated effects in region (and broader Europe) and to support process of reconciliation among young people (as well as broader society) in Western Balkans. Project will be implemented in 4 contracting WB parties (Albania, Bosnia and Herzegovina, Macedonia, and Serbia). During the project will be implemented Regional training course for 24 young people, youth workers, trainers from Albania, Bosnia and Herzegovina, Macedonia and Serbia (five young people (18-30) and one youth leader, in order to organize all logistic and take care of young people to come safely Project should support discussions among training participants about negative regional phenomena such as rising of nationalistically driven hate speech, extremism, violence against minorities. It aims to: equip participants with skills for raising awareness about the roots, degree of presence and negative effects of phenomena such as extremism and nationalism and for promoting topics like tolerance and reconciliation; Create opportunities for young people to go through process of intercultural learning and exploring their own identity and prejudices toward neighbours, travelling together in all partners' contracting parties. Project activities are: training course "Perform and film it for a future peace", presentations of short movies and performances in 4 CPs. 1064	Center for Social and Economic Development	YOUTH on the Move!(e - Building a Better Region Through Film	The general objective of the project is to build the capacity of youth NGOs and young people to promote intercultural dialogue and tolerance and to contribute to the process of reconciliation in the region of the Western Balkans by bringing its youth together and using the power of art/film. The main project activity, the training course, will take place in Banja Koviljaca, Serbia. Conveniently located on the Serbian-Bosnian border, Banja provides opportunities for two short excursions that will be organized during the training - visit to Zvornik in BiH, which gives numerous examples of joint life between Muslims and Christians in this region. The second trip will be the visit to ethno village of Trsic. 6 public events will take place in partner cities/towns (Podgorica, Viteo, Tirana, Podgorica, Viteo and Zagubica). Direct beneficiaries of the project are 24 training course participants from Bosnia and Herzegovina, Albania, Montenegro, Macedonia, and Serbia. Each partner NGO selects 4 young people from their Contracting Party. Each team should have one youth worker and three young people with less or no experience but strong desire and qualities to participate in the Project. Furthermore, the beneficiaries are also around 120 young persons from WB who will take part in 6 public events. Indirect beneficiaries are youth and general public that will watch 7 short films produced through the project via social networks, websites etc. Total project duration: 7 months	1	RS	CSO	Association "Youth Volunteers"	BH	EESTEC LC Tirana	AL	NGO "35mm"	ME	CID	MK	Community development association of Zagubica	RS	€ 31,817.00	88
1070	JU Gimnazija "Musa Cazin Catic" Tešanj	Don't limit your challenges, challenge your limits.	The general aim of the project is to support development of youth activism and intercultural learning and enhancing competences. Project idea would relate to youth challenges in local community, intercultural learning and enhancing competences, tolerance development towards different cultures in our Contracting Party and their vision toward others. This shall be done by designing a common idea (web designing) and defining on-line profiles of participants by determine the final number of user accounts of all students and teachers involved in project, by virtual classes, visit to Bosnia and Herzegovina and Serbia, historical workshops and tour with fun performances, organizing games without borders. Project will take place in Tešanj and then all the participants will together visit Mostar-Sarajevo in Bosnia and Herzegovina. Participants are students from both schools (5 boys and 5 girls from both schools). 1268	Dis –Youth theatre Banja Luka (BH)	Untold Thoughts	The general aim of the project is greater efficiency, impact and visibility of youth artist in regional integration and reconciliation processes in the Western Balkan region. This will be done through theater techniques. Theater in function "education for peace" implies growth of mutual tolerance, transformation of conflicts and reconciliation. Theater for reconciliation is a system technique and represents a hybrid which has roots in theater and in youth activism. The activities will take place on the territory of Bosnia and Herzegovina, Serbia and Macedonia. It's about three famous, eminent YOUTH THEATERS with perennial successful results: Youth theatre DIS Banja Luka (BH), Youth theatre CEKOM (Serbia) and Youth theatre, Theatre Youth of Macedonia, Skopje (Macedonia). The participants are young actors, ages 15-30 of various ages, religion and national affiliation, as well as various social and educational statuses, taking care of equal gender representation. By young actors chosen by the system (two of each partner theatre), young audience in theatres (in the project cycle about 1000 young people), and in total in all performing the show more than 7 000 young people / in the Western Balkans region. Total project duration: seven 7 months.	1	BH	CSO	CDO BH	BH	CEKOM Zrenjanin, Youth theatre	RS	Thetre Youth of Macedonia	MK	N/A	N/A	N/A	N/A	€ 30,383.00	81
1292	Youth for Peace	YOU: P.P.F./ YOU: Past, Present and Future	The general aim of the project is to mobilize youth to become bold and vigorous competitors in CS, proactively working on genuine dialogue and coexistence. The main activities are: 3-day-training (7 modules) on "Constructively dealing with the past", national seminar where the participants will take an active role in discussion and sharing experience through essays, social media activities, video making, etc., as well as regional gathering in Sarajevo. The activities will take place in Bosnia and Herzegovina, Serbia and Montenegro. Preliminary activities (A1) will take place in bordering areas because of easiest access for each side and reducing travel costs. Trainings (A2) will take place in remote areas in order to achieve full commitment and relaxed working atmosphere suitable for the work. National seminars and Regional Gathering will take place in the capitals of partnering Contracting Parties because of their importance and significance in terms of culture, economy, historical heritage, memorials and political institutions. Target group no. 1 are university students aged 18 to 30 (for activity no. 2) in total 15 students (5 per each CP). Target group no. 2 are high-school students aged 15 to 20 (for activities no. 3 & 4). In total 90 of HS students (30 per each CP). Total duration of the project: 9 months. ☺	1	BH	CSO	Somborski Omladinski Boom	RS	American Youth Alumni Association	ME	N/A	N/A	N/A	N/A	N/A	N/A	€ 37,480.00	85
1293	NGO Intermedia Black	Knockout for intolerance	Project aims to contribute to reconciliation on the regional level using sport as a tool for promotion of tolerance and unity. It will also strengthen capacities of sport actors that are in everyday contact with youth to promote tolerance and positive social values. Project will include actors from Serbia, Montenegro, Macedonia and Bosnia and Herzegovina. Initial gathering (educational camp) will take place in Serbia, while the activities to follow will take place in other contracting parties through public classes and offline and online campaign carried out by project participants in their communities. Final event – boxing festival aimed at sending the strong joint message to the region will also take place in Serbia. The main target group will be consisted of 24 sportsmen/women up to 30 year of age from 4 boxing federations. On local level, during the local activities (promo classes in schools, guided regional campaign "Knockout for Intolerance"), project intends to include at least 4,000 young people. Additionally, it is expected that at least 4,000 will be informed through ads and news published through social networks and broadcasted/published on digital/printed media.
