RYCO was founded in 2016 at the request of the Prime Ministers of the Western Balkan 6: Albania, Bosnia and Herzegovina, Kosovo\*, Macedonia, Montenegro and Serbia. RYCO's goal is to promote cooperation between young people in the region and bringing them closer through exchange programmes based on the model of the Franco-German Youth Office.

### Your tasks:

- Support the RYCO management team in optimising financial management and policies
- Support the team's capacity building in optimisation of procurement and financial procedures
- Management of donor contributions in accordance with EU directives and international standards

### Your qualifications and competencies:

- Completed university degree in economics or finance or a comparable qualification suitable for the task
- Several years of experience in financial management of an international organization, with EU projects or in a public organization
- Sound knowledge of PRAG regulations and processes
- Ideally, regional experience and experience in development cooperation
- Fluent English

### We offer you:

- Varied work with individual responsibility in an international environment
- Cooperation with other development cooperation organizations
- Professional preparation for foreign assignment
- Local employment contract as an integrated expert for initially two years - an extension is possible
- Attractive monthly additional payment to the local salary and social benefits

The vacancy is current, there is no application deadline.
