

## “Western Balkans meet Japan: A Bridge into the Future”

### MIRAI Program 2023/2024: Western Balkans Youth Exchange

(Mutual-understanding, Intellectual Relations, and Academic Exchange Initiative)

#### 1. Background

The Ministry of Foreign Affairs of Japan (MOFA) organizes Japan's Friendship Ties Program “MIRAI” (*Mutual understanding, Intellectual Relations and Academic Exchange Initiative*), dedicated to promising young leaders from Europe, Central Asia and the Caucasus. The program “MIRAI”, which means “Future” in Japanese, aims to deepen participants’ understanding of Japan and its policy, to promote mutual understanding, and thus build a basis for future friendship and cooperation between Japan and other regions, through exchange programs. It has seven components and one of them is “Western Balkans meet Japan: A Bridge into the Future”.

#### 2. Program Overview

In order to further achieve a bigger impact and effectiveness in the Western Balkans, MOFA is implementing “Western Balkans meet Japan: A Bridge into the Future” with the Regional Youth Cooperation Office (RYCO), as one of the key actors working on youth issues in the region.

The RYCO is the intergovernmental organization dealing with peacebuilding, reconciliation, and cooperation in the Western Balkans through youth exchange programs. It was established by the governments of Albania, Bosnia and Herzegovina, Kosovo\*, Montenegro, North Macedonia, and Serbia, in July 2016 within the Berlin Process.

This year, **the youth exchange will take place from Feb 13 – Feb 20, 2024 in Japan, and will gather 14 participants coming from Albania, Bosnia and Herzegovina, Kosovo, North Macedonia, Montenegro and Serbia.** The selected participants will have the opportunity to discuss current topics, share experiences with youth from Japan, develop intercultural skills, and visit and explore the Japanese culture.

#### 3. MIRAI Exchanges in previous years

MIRAI Program is organizing this youth exchange for the fourth time. Twenty-three young people from the region visited Tokyo and Hiroshima last year. In Tokyo, the group visited Sophia University, Japan International Cooperation Agency (JICA) and Senso-ji Temple. In Hiroshima, participants explored the Peacebuilders Center and learned more about the Japanese devastating experience of the atomic bombing. In Miyajima, youth from Western Balkans enjoyed the unique nature and architectural beauty of the island nation of Japan and experienced the history and traditional culture rooted in the region.
