SELECTED PARTNERSHIPS

PARTNERSHIP REFERENCE NUMBER	PARTNER 1 APPLICANT'S FULL NAME	CONTRACTING PARTY P1	PARTNER 2 APPLICANT'S FULL NAME	CONTRACTING PARTY P2	LOCATIONS OF THE TWO EXCHANGES	SUMMARY OF THE EXCHANGES (INFORMATION ON THE PARTNERS, TYPES OF SCHOOLS, EXCHANGE LOCATIONS, AND PLANNED ACTIVITIES)	TITLE OF THE PROJECT
1244	OSEU "8 Septemvri", Tetovo (Општинско средно економско училиште „8 Септември“, Тетово)	MKD	"Bahri Haxha" Upper Secondary Vocational School (Shkolla e Mesme të Lartë Profesionale (SHMP) "Bahri Haxha")	KS	Tetovo, Vushtrri	The exchange brings together students and teachers from OSEU "8 Septemvri" in Tetovo and SHMLP "Bahri Haxha" in Vushtrri in a Long-Term Partnership (LTP) between two Contracting Parties. A total of 24 students aged 15–17 and four teachers will participate in two seven-day exchanges, with accommodation provided through homestays to encourage intercultural learning and closer engagement with local communities. The main objective of the project is to strengthen intercultural dialogue, peacebuilding, mutual understanding, and youth leadership through shared experiences and collaborative activities. The programme is based on a non-formal education methodology and includes interactive workshops, team-building activities, peer learning, reflection sessions, and educational visits to cultural and natural sites. Participants will also take part in workshops on environmental protection, human rights, and gender equality while engaging with local organizations and community members in Tetovo and Vushtrri. Following the exchanges, students will organize outreach activities in their schools to share the knowledge and experiences gained during the project with their peers, contributing to the wider dissemination of the project results.	"Building Sustainable Bridges through Intercultural Dialogue, Youth Leadership, and Homestays"
1783	VET School Elbasan (Shkolla Profesionale Elbasan)	ALB	Institution of Education and Vocational Training "Faik Konica" (Institucioni i Arsimit dhe Trajnimit Profesional "Faik Konica")	KS	Elbasan, Ferizaj	The exchange involves VET School Elbasan and the Institution of Education and Vocational Training "Faik Konica" in Ferizaj, representing two Contracting Parties. The project, "Beyond Borders, United Hearts," aims to strengthen cooperation, friendship, and intercultural understanding among young people through shared educational and cultural experiences. Students will explore the history, traditions, and everyday life of both societies by participating in workshops, collaborative activities, and visits to important cultural and historical sites in Elbasan and Ferizaj. Through teamwork, discussions, and creative projects, participants will develop communication, social, and vocational skills while promoting inclusion, mutual respect, and active citizenship. The project encourages cultural exchange, European values, lifelong learning, and the creation of lasting partnerships between the two schools.	"Beyond Borders, United Hearts"
3545	XIII Belgrade Grammar School (XIII beogradska gimnazija)	SRB	First Grammar School Sarajevo (Prva gimnazija Sarajevo)	BIH	Belgrade, Sarajevo	XIII Belgrade Grammar School and First Grammar School Sarajevo are partnering on the project "Rebuilding Bridges," which focuses on strengthening intercultural dialogue, reconciliation, and mutual understanding among young people by exploring the shared history, cultural heritage, and common values of Western Balkan societies. Students will participate in collaborative workshops, discussions, and visits to important historical and cultural sites in Belgrade and Sarajevo, encouraging them to reflect on the importance of cooperation, peacebuilding, and respect for diversity. Through joint educational and creative activities, participants will develop communication, critical thinking, and teamwork skills while fostering lasting friendships and promoting tolerance, active citizenship, and regional cooperation.	"Rebuilding Bridges"
3772	High School for Mechanical Engineering Sarajevo (JU Srednja mašinska tehnička škola)	BIH	Upper Secondary School "Kongresi i Manastir" (Shkolla e Mesme e Lartë "Kongresi i Manastir")	KS	Sarajevo, Pozharan	The exchange brings together students and teachers from the High School for Mechanical Engineering Sarajevo and Upper Secondary School "Kongresi i Manastir" in Pozharan, Viti in a Long-Term Partnership (LTP) between two Contracting Parties. The project, "Ghosts of the Past, Present, and Future," aims to strengthen intercultural dialogue, reconciliation, and peacebuilding by encouraging young people to reflect on the past, understand the present, and jointly envision a shared future. The programme is based on a non-formal education methodology and combines interactive workshops, dialogue sessions, collaborative group work, reflection circles, cultural visits, and peer learning. Homestays will play a central role in the exchange, enabling participants to experience everyday life in the host communities, challenge stereotypes, and build meaningful friendships. The activities will actively involve the local communities in Sarajevo and Pozharan through cultural and educational initiatives that promote mutual understanding, empathy, and active citizenship. Following the exchanges, participants will organize outreach activities in their schools to share the knowledge and experiences gained with their peers, ensuring a wider impact of the project within both communities.	"Ghosts of the Past, Present, and Future"
3790	"7 Shtatori" Upper Secondary Vocational School, Pristina – Trade, Hospitality, and Tourism (Shkolla e mesme e lartë profesionale "7 Shtatori", Prishtinë – Tregëti, Hoteleri dhe Turizëm)	KS	Secondary Mixed School "Fraternity Unity", Ulcinj (Srednja mješovita škola "Bratstvo-Jedinstvo", Ulcinj)	MNE	Pristina, Ulcinj	SHML "7 September" in Pristina and Secondary Mixed School "Fraternity Unity" in Ulcinj are partnering on the project "Together We Can," which aims to promote cooperation, inclusion, and intercultural understanding among students from different communities. The project focuses on strengthening social connections, mutual respect, and teamwork through shared educational and practical activities. Students will explore the cultural heritage, traditions, and everyday life of Pristina and Ulcinj while taking part in workshops, creative tasks, and collaborative learning experiences related to hospitality, tourism, and community development. Through interaction and the exchange of ideas, participants will improve their communication, professional, and social skills while promoting diversity, tolerance, sustainability, and the importance of regional cooperation.	"Together We Can"

4020	Unified Secondary School "Shyqyri Lakra" (Shkolla e Mesme e Bashkuar "Shyqyri Lakra")	ALB	Gymnasium "Asllan Berisha" (Gjimnazi "Asllan Berisha")	KS	Berat, Gjakove	The exchange brings together students and teachers from the Unified School "Shyqyri Lakra" in Berat and Asllan Berisha High School in Gjakova in a Long-Term Partnership (LTP) between two Contracting Parties. The project, "Finding Talents – United for Arts," aims to strengthen intercultural dialogue, mutual understanding, and peacebuilding by encouraging young people to explore their creativity and develop artistic talents in a multicultural environment. The programme is based on a non-formal education methodology and includes interactive workshops, intercultural group activities, peer learning, simulations, reflection sessions, and collaborative creative activities. Participants will actively engage in cultural exchange, teamwork, and discussions that promote inclusion, respect for diversity, and effective communication while learning from one another's traditions and experiences. Homestays will provide an opportunity for participants to experience everyday life in the host communities, strengthen intercultural learning, and build lasting friendships with their peers and host families. The project will involve local communities in Berat and Gjakova through cultural and educational activities, while follow-up outreach initiatives will enable participants to share the knowledge and experiences gained during the exchange with their peers, ensuring a wider impact of the project.	"Finding Talents – United for Arts"
4290	Secondary Vocational School "Miloš Crnjanski" (Средња стручна школа "Милош Црњански")	SRB	High School "Hydajet Lezha" (Gjimnazi "Hydajet Lezha")	ALB	Kikinda, Lezha	The exchange project between "Hydajet Lezha" High School in Lezhë and "Miloš Crnjanski" Secondary Vocational School in Kikinda focuses on intercultural dialogue, student mobility, and strengthening cooperation between young people from different backgrounds. Through workshops, cultural activities, peer learning, and school visits, students will explore each other's traditions, educational systems, and everyday experiences. The project aims to develop openness, communication skills, and mutual understanding, empowering students to become ambassadors of friendship and cooperation in the region. The partnership connects schools with different profiles and creates a foundation for long-term collaboration among students, teachers, and local communities.	"The Amazing Experience of Being an Exchange Student"
4624	Public Institution Catholic School Centre "Saint Francis" High School (Katolički školski centar Sveti Franjo Tuzla)	BIH	Grammar School "Takovski Ustanak" (Гимназија "Таковски устанак")	SRB	Tuzla, Gornji Milanovac	The exchange brings together students and teachers from the Public Institution Catholic School Centre "Saint Francis" High School in Tuzla and Grammar School "Takovski Ustanak" in Gornji Milanovac in a Long-Term Partnership (LTP) between two Contracting Parties. The project, "Be the Change You Want to See," aims to strengthen intercultural dialogue, peacebuilding, reconciliation, and youth leadership by encouraging participants to reflect on their role in creating more inclusive and peaceful societies. The programme is based on a non-formal education methodology and includes interactive workshops, peer learning, dialogue sessions, reflection circles, collaborative group work, volunteering initiatives, and Sport for Development (S4D) activities that promote teamwork, leadership, and mutual respect. Homestays represent a key component of the exchange, providing participants with the opportunity to experience everyday life in the host communities, challenge stereotypes, and build lasting friendships with their peers and host families. The project actively involves local communities in Tuzla and Gornji Milanovac through educational, cultural, and community-based activities that encourage active citizenship and social responsibility. Following the exchanges, participants will organize outreach activities in their schools and local communities to share the knowledge, experiences, and values gained during the project, ensuring the sustainability and wider impact of the initiative.	"Be the Change You Want to See"
5092	DSU RCSOO "Vanco Pitoseski" (ДСУ РЦСОО „Ванчо Питошески“)	MKD	School for Economy and Commerce (Економско-трговинска школа)	SRB	Ohrid, Bor	The exchange brings together students and teachers from the School for Economy and Commerce in Bor and DSU RCSOO "Vanco Pitoseski" in Ohrid in a Long-Term Partnership (LTP) between two Contracting Parties. The project, "A Bridge Connecting Two Lakes," aims to strengthen intercultural dialogue, mutual understanding, and regional cooperation by encouraging young people to build lasting friendships and actively engage with their local communities. The programme is based on a non-formal education methodology and includes interactive workshops, team-building activities, peer learning, cultural visits, reflection sessions, and collaborative activities involving students, teachers, parents, and local stakeholders. Homestays represent a key component of the exchange, enabling participants to experience everyday family life, deepen intercultural learning, and overcome stereotypes through direct interaction with their host communities. The project also promotes active citizenship by involving local institutions, schools, cultural organizations, businesses, and sports associations in both Bor and Ohrid, creating meaningful learning opportunities beyond the classroom. Following the exchanges, participants will organize outreach and dissemination activities in their schools and local communities to share the knowledge and experiences gained during the project, ensuring its long-term impact and sustainability.	"A Bridge Connecting Two Lakes"

5568	"Dr. Ali Sokoli" Vocational Medical High School (Shkolla e Mesme Profesionale "Dr. Ali Sokoli")	KS	Gymnasium "Kristaq Capo" (Gjimnazi Kristaq Capo)	ALB	Pristina, Berat	The exchange project between "Dr. Ali Sokoli" Medical School in Pristina and Gymnasium "Kristaq Capo" in Berat focuses on intercultural dialogue, youth cooperation, and building connections between students through music and creative expression. The project, "Sounds Unite Us," will bring together students from different backgrounds who will participate in workshops, cultural activities, and collaborative music-based experiences aimed at encouraging communication, teamwork, and mutual understanding. Through exchange visits, homestays, and shared activities, students will have the opportunity to discover each other's cultures, traditions, and daily lives while developing new friendships and strengthening their social skills. The project aims to use the power of music as a universal language that connects people, promotes respect for diversity, and encourages young people to become active promoters of inclusion and cooperation. The partnership between the two schools creates a supportive framework for long-term collaboration among students, teachers, families, and local communities.	"Sounds Unite Us"
5720	Center for Blind and Visually Impaired Children and Youth Sarajevo (JU Centar za slijepu i slabovidnu djecu i omladinu)	BIH	Pharmacy and Physiotherapy School Belgrade (Фармацеутско-физioterапеуtска школа Београда)	SRB	Sarajevo, Belgrade	The exchange brings together students and teachers from the Center for Blind and Visually Impaired Children and Youth Sarajevo and the Pharmacy and Physiotherapy School in Belgrade in a Long-Term Partnership (LTP) between two Contracting Parties. The project aims to promote intercultural dialogue, inclusion, empathy, and peacebuilding by bringing together blind and visually impaired students and their peers in a supportive and accessible learning environment. The programme is based on a non-formal education methodology and includes interactive workshops, inclusive sports activities, peer education, storytelling sessions, cultural visits, creative drama and music activities, and reflection sessions that encourage mutual understanding and personal development. Particular emphasis is placed on fostering meaningful friendships, breaking stereotypes, and ensuring equal participation of all students through inclusive educational approaches. The activities will involve local communities in Sarajevo and Belgrade, promote awareness of inclusion, and encourage cooperation between schools and community stakeholders. Following the exchanges, participants will organize outreach activities to share their experiences and promote the values of inclusion, intercultural learning, and respect for diversity, ensuring the long-term impact of the project.	"The Same Goal Can Be Accomplished in Different Ways"
5791	Food and Catering School (Прехрамбено-гоститељска школа)	SRB	State Secondary School – Regional Vocational Education and Training Centre "Kiro Burnaz" (Државно средно училиште - Регионален центар за средно стручно образование и обука „Киро Бурназ“)	MKD	Čačak, Kumanovo	The exchange brings together students and teachers from the Food and Hospitality School Čačak and the Secondary School – Regional Vocational Education and Training Centre "Kiro Burnaz" in Kumanovo in a Long-Term Partnership (LTP) between two Contracting Parties. Building on two previously successful exchanges, the project aims to promote intercultural dialogue, reconciliation, peacebuilding, and active citizenship by engaging students in collaborative activities focused on tourism, hospitality, gastronomy, and cultural heritage. Through workshops, study visits, digital storytelling, destination design, and the creation of promotional materials, participants will explore the rich cultural diversity of their communities while discovering shared values and traditions. The project encourages young people to challenge stereotypes, develop empathy, strengthen intercultural competencies, and build lasting friendships throughout the region. By working together to design authentic and sustainable tourism experiences, students will become ambassadors of regional cooperation and demonstrate that cultural diversity is a valuable resource for mutual learning, understanding, and long-term peace in the Western Balkans.	"Designing Destinations, Connecting Cultures"
5797	Jablanica High School (Srednja škola Jablanica)	BIH	High School "Josif Josifovski", Gevgelija (Средно општинско училиште „Јосиф Јосифовски“)	MKD	Jablanica, Gevgelija	The exchange project between JU Srednja škola Jablanica in Jablanica and High School "Josif Josifovski" in Gevgelija focuses on intercultural dialogue, cultural exchange, and strengthening connections between young people from different communities. Through the project "Two Cultures, One Story," students will participate in educational, cultural, and creative activities designed to promote mutual understanding, respect for diversity, and appreciation of shared values and traditions. The exchanges will provide students with the opportunity to experience each other's cultures, learn about local history and heritage, and build friendships through workshops, cultural visits, peer learning, and community-based activities. The project aims to empower young people to become active promoters of cooperation and intercultural understanding by creating a space where different experiences and perspectives can be shared. As part of the activities, cooperation between local museums and folklore associations will be strengthened through the exchange of knowledge, traditions, and cultural practices, including the signing of a Memorandum of Understanding. The partnership connects schools and communities across the region, creating a sustainable framework for long-term collaboration, friendship, and stronger regional cooperation.	"Two Cultures, One Story"

5840	Gymnasium "Sveti Sava", Belgrade (Гимназија "Свети Сава" Београд)	SRB	"Dhaskal Todri" Gymnasium (Gjimnazi Dhaskal Todri)	ALB	Belgrade, Elbasan	The exchange project between Dhaskal Todri Gymnasium in Elbasan and Sveti Sava Gymnasium in Belgrade focuses on intercultural dialogue, youth cooperation, and building lasting friendships throughout the region. Through the project "Roots of Friendship beyond Borders," students from two Contracting Parties will participate in non-formal education activities, intercultural workshops, collaborative group work, school visits, and cultural exploration. Living with host families will provide students with the opportunity to experience everyday life in another community, develop mutual understanding, and strengthen connections beyond cultural differences. The programme will encourage students to share their traditions, perspectives, and personal experiences while developing communication, teamwork, and social skills. Reflection sessions and community-based activities will help participants transfer their experiences to their wider school communities, creating a sustainable framework for long-term cooperation, friendship, and intercultural learning between the two schools.	"Roots of Friendship beyond Borders"
6130	Secondary Municipal School "Orde Chopela", Prilep (Средно општинско училиште „Орде Чопела“)	MKD	Society of the Christian Doctrine "Preca College" (Kolegji Preka)	ALB	Prilep, Korce	The exchange project between SOU "Orde Chopela" in Prilep and Preca College in Korçë focuses on volunteering, intercultural dialogue, active citizenship, and strengthening cooperation between young people from different communities. Through the project "Small Towns, Big Hearts – Where Kindness Lives," students will participate in non-formal education activities, team-building workshops, environmental actions, intergenerational activities, charity initiatives, and community service aimed at developing empathy, teamwork, and social responsibility. During the exchanges, students will explore the importance of volunteering, identify local community needs, meet with volunteers and community organizations, and work together on joint actions that create a positive social impact. Living with host families and working in international teams will allow participants to experience local cultures, build meaningful friendships, and develop a deeper understanding of each other's communities. The project also aims to ensure long-term cooperation through the creation of a Joint Youth Volunteering Network, encouraging young people to remain active contributors to their communities beyond the exchange experience.	"Small Towns, Big Hearts – Where Kindness Lives"
6131	Mixed Secondary School "Hasan Kikić", Gradačac (Mješovita srednja škola Hasan Kikić Gradačac)	BIH	Technical School Bor (Техничка школа Бор)	SRB	Gradačac, Bor	The exchange brings together students and teachers from the Mixed Secondary School "Hasan Kikić" in Gradačac and the Technical School in Bor in a Long-Term Partnership (LTP) between two Contracting Parties. The project aims to strengthen intercultural dialogue, peacebuilding, reconciliation, and mutual understanding by building on the successful results of previous exchanges and introducing a homestay model that enables authentic cultural immersion. The target group includes secondary school students, teachers, host families, and members of local communities in Gradačac and Bor. The programme is based on a non-formal education methodology and includes peer-led workshops, reflection sessions, collaborative problem-solving, cultural visits, community events, and experiential learning through homestays, encouraging empathy, active participation, and meaningful intercultural learning. The project actively involves local institutions, municipalities, cultural organizations, and host families, strengthening cooperation between schools and communities and promoting long-term partnerships. Following the exchanges, participants will organize outreach and community-based activities to share their experiences and promote the values of intercultural dialogue, peacebuilding, respect for diversity, and active citizenship, ensuring the sustainability and long-term impact of the project.	"Growing Connections – Growing Together, Connecting Communities"
6136	"Živorad Janković" High School (Гимназија „Живорад Јанковић“ са домом ученика)	SRB	SOU "Mavrovo-Rostushe" (Средно општинско училиште „Маврово - Ростуше“)	MKD	Novi Sad, Rostushe	The exchange brings together students and teachers from "Živorad Janković" High School in Novi Sad and SOU "Mavrovo-Rostushe" in Rostushe in a Long-Term Partnership (LTP) between two Contracting Parties. The project aims to promote intercultural dialogue, peacebuilding, reconciliation, and mutual understanding by encouraging young people to actively challenge stereotypes and prejudices through creative, experiential, and collaborative learning. The target group includes secondary school students, teachers, and local communities from both partner societies. The programme is based on a non-formal education methodology and includes interactive workshops, peace-themed board game creation, digital storytelling, film and music production, dialogue circles, role-play activities, intercultural "Human Library" sessions, and gamified learning through an "Escape Room Against Prejudices," fostering empathy, critical thinking, creativity, and active participation. The project also promotes community involvement and sustainable cooperation between partner schools, while participants will continue disseminating the values of peace, intercultural dialogue, inclusion, and respect for diversity through follow-up activities, ensuring the long-term impact of the partnership.	"Beyond Peace – Building the Future Together"
6137	School for Visually Impaired Pupils "Veljko Ramadanović", Zemun (Школа за ученике оштећеног вида „Вељко Рамадановић“, Земун)	SRB	Secondary School of Economics, Hospitality and Tourism, Mostar (JU Srednja ekonomska i ugostiteljsko- turistička škola Mostar)	BIH	Belgrade, Mostar	The exchange project between the School for Visually Impaired Pupils "Veljko Ramadanović" in Zemun, Belgrade, and the Secondary School of Economics, Hospitality and Tourism in Mostar focuses on inclusion, intercultural dialogue, and creating equal opportunities for students with different abilities and backgrounds. Through the project "Beyond Sight, Beyond Borders," students will participate in collaborative workshops, cultural activities, sports, and community-based initiatives that promote understanding, empathy, and cooperation. The exchange aims to bring visually impaired and sighted students together as equal partners in shared learning experiences, encouraging them to overcome barriers and build meaningful connections. The partnership will strengthen inclusive education through student-led activities, joint projects, and the exchange of good practices between schools. By combining in-person exchanges with continued digital cooperation, the project creates opportunities for long-term collaboration, mutual learning, and the development of a more inclusive school environment where every student can actively participate and contribute.	"Beyond Sight, Beyond Borders"

6139	Forestry School (Шумарска школа)	SRB	Municipal Secondary School "Gjorce Petrov" (Средно општинско училиште „Горче Петров“)	MKD	Kraljevo, Prilep	The exchange brings together students and teachers from the Forestry School in Kraljevo and the Municipal Secondary School "Gjorce Petrov" in Prilep in a Long-Term Partnership (LTP) between two Contracting Parties. The project aims to promote intercultural dialogue, peacebuilding, inclusion, and mutual understanding by providing young people with meaningful opportunities to learn from one another through experiential and participatory activities. The target group includes secondary school students, teachers, parents, and members of local communities in Kraljevo and Prilep. The programme is based on a non-formal education methodology and includes interactive workshops, peer-to-peer learning, guided reflection sessions, intercultural learning activities, community engagement initiatives, and collaborative tasks focused on tolerance, diversity, cooperation, and active citizenship. Particular emphasis is placed on strengthening friendships, overcoming stereotypes, and encouraging students to become active contributors to their communities. The project also promotes cooperation between schools, local institutions, and community stakeholders, while participants will share their experiences through follow-up activities that foster intercultural dialogue, respect for diversity, and long-term regional cooperation, ensuring the sustainability and lasting impact of the partnership.	"We Build Friendships – We Build Communities"
6140	Franciscan Classical Grammar School (Franjevačka klasična gimnazija)	BIH	Economic Trade School (Економско-трговинска школа)	SRB	Visoko, Paraćin	The exchange project between Franciscan Classical Grammar School in Visoko and Economic Trade School in Paraćin focuses on building friendship, intercultural understanding, and cooperation among young people through non-formal education and shared experiences. Through the project "Bridge of Friendship," students will participate in interactive workshops, cooperative sports activities, and intercultural learning sessions aimed at building trust, exploring identities, challenging stereotypes, and developing empathy and respect for diversity. The second exchange will build on these experiences by strengthening students' leadership skills, conflict transformation abilities, and active citizenship through community engagement initiatives, sport-for-peace activities, and collaborative creative projects. The partnership aims to empower young people to address shared challenges, promote positive narratives of cooperation, and create lasting connections between students, schools, and communities across the region.	"Bridge of Friendship"
6162	Gymnasium "28 Nëntori" (Gjimnazi 28 Nëntori)	ALB	SUGS Gymnasium "Josip Broz Tito" (Средно училиште на Град Скопје (СУГС) Гимназија „Јосип Броз Тито“)	MKD	Shkoder, Skopje	The exchange brings together students and teachers from Gymnasium "28 Nëntori" in Shkodër and SUGS Gymnasium "Josip Broz Tito" in Skopje in a Long-Term Partnership (LTP) between two Contracting Parties. The project aims to promote intercultural dialogue, peacebuilding, reconciliation, and media literacy by encouraging young people to address contemporary social challenges through creative collaboration, critical thinking, and active participation. The target group includes secondary school students, teachers, host families, and members of local communities in Shkodër and Skopje. The programme is based on a non-formal education methodology and includes peer-led workshops, digital storytelling, media literacy training, the co-creation of a digital lexicon of youth language and sports terminology, Language & Sport Lab activities, reflection circles, mixed-team sports challenges, and homestay experiences that foster empathy, inclusion, and intercultural understanding. The project also actively involves schools, families, and local communities while promoting sustainable cooperation through the creation of open-source educational resources and follow-up activities that strengthen intercultural dialogue, regional cooperation, and respect for diversity, ensuring the long-term impact of the partnership.	"Traditions That Connect Us: Building Tomorrow Together"
6163	British Gymnasium of Technology (Gjimnazi Britanik i Teknologjisë)	KS	Gymnasium of Mostar (Gimnazija Mostar)	BIH	Pristina, Mostar	The exchange project between British Gymnasium of Technology in Pristina and Gymnasium of Mostar focuses on intercultural dialogue, peacebuilding, and strengthening connections between young people through shared experiences and personal stories. Through the project "Shared Homes, Shared Stories," students will participate in non-formal education activities exploring identity, stereotypes, memory, and cultural diversity through trust-building workshops, historical and cultural exploration, digital storytelling, traditional cooking and dance sessions, community visits, and daily reflection activities. Living with host families will allow students to experience everyday life in both communities, exchange traditions, and develop a deeper understanding and respect for each other's backgrounds. The programme will encourage cooperation through mixed-team activities, including sports and creative projects, while students will jointly create a youth exhibition and digital map, "The Home We Share – A Youth Map of Memory, Identity, and Hope," promoting positive narratives, friendship, and long-term cooperation between the two schools and communities.	"Shared Homes, Shared Stories"
6166	Secondary Electro-Economic School (Srednja elektro-ekonomska škola)	MNE	Secondary Vocational School "Vasa Pelagić" (Средња стручна школа "Васа Пеларгић")	SRB	Bijelo Polje, Kovin	The exchange project between Secondary Electro-Economic School in Bijelo Polje and Secondary Vocational School "Vasa Pelagić" in Kovin focuses on intercultural dialogue, inclusion, and strengthening long-term cooperation between young people and schools. Through the project "Ideas in Motion," students will participate in collaborative workshops, intercultural learning activities, peer learning, and community-based experiences that encourage teamwork, creativity, and active participation. Building on previous cooperation, the exchanges will provide students with opportunities to reflect on shared experiences, develop new ideas, and strengthen mutual understanding through non-formal education methods. The project aims to empower young people, especially those with fewer opportunities, to become active contributors to inclusive and peaceful communities by promoting dialogue, friendship, and regional cooperation. Through joint initiatives and continued partnership between the schools, students will develop lasting connections and skills that extend beyond the exchange experience.	"Ideas in Motion"

6168	High School "Ljupco Santov", Kochani (Средно општинско училиште „Љупчо Сантов“)	MKD	Public Institution Third Gymnasium Sarajevo (Treća gimnazija Sarajevo)	BIH	Kochani, Sarajevo	The exchange brings together students and teachers from High School "Ljupco Santov" in Kochani and the Public Institution Third Gymnasium Sarajevo in a Long-Term Partnership (LTP) between two Contracting Parties. The project aims to promote intercultural dialogue, peacebuilding, reconciliation, and active citizenship by engaging young people in diplomacy-based learning and meaningful discussions on hate speech, human rights, and international cooperation. The target group includes secondary school students, teachers, host families, and members of local communities in Kochani and Sarajevo. The programme is based on a non-formal education methodology and includes Model United Nations simulations, role-play activities, structured negotiations, reflection sessions, evidence-based preparation, discussions with diplomats and practitioners, and reciprocal homestay experiences that encourage empathy, intercultural understanding, critical thinking, public speaking, negotiation, and consensus-building. The project actively involves schools, families, and local communities while fostering sustainable cooperation and preparing young people to become responsible and engaged citizens. Following the exchanges, participants will continue promoting the values of peacebuilding, intercultural dialogue, human rights, and regional cooperation, ensuring the long-term impact and sustainability of the partnership.	"Building Bridges: Model UN Debate on Hate Speech and Peacebuilding"
6170	Secondary Vocational School Pirot (Средња стручна школа Пирот)	SRB	National Secondary VET School "Rakip Kryeziu" (Shkolla e Mesme e Lartë Profesionale "Rakip Kryeziu")	ALB	Pirot, Fier	The exchange brings together students and teachers from the Secondary Vocational School in Pirot and the National Secondary VET School "Rakip Kryeziu" in Fier in a Long-Term Partnership (LTP) between two Contracting Parties. The project aims to strengthen intercultural dialogue, mutual understanding, inclusion, and peacebuilding by engaging young people in creative, experiential, and community-based learning. Building on the successful cooperation established through previous Superschools exchanges, the programme places a stronger emphasis on youth ownership, active participation, and co-creation of educational content. The exchange is based on a non-formal education methodology and combines creative arts, movement, music, dance, yoga, role-play, intercultural visits, reflection sessions, storytelling, and collaborative workshops to encourage empathy, critical thinking, and intercultural learning. A central activity of the project is the joint production of the short film "Moving Together," co-created by students from both Contracting Parties, integrating artistic expression with personal testimonies and shared cultural experiences as a tool for promoting dialogue and reconciliation. Special attention is given to student-led learning, structured reflection, parental involvement through joint workshops and cooking activities, creative expression facilitated by external experts, and community engagement through symbolic environmental initiatives such as caring for previously planted friendship trees. The programme also promotes multilingual communication, equal participation, and inclusive learning opportunities, ensuring that every participant actively contributes regardless of their background or circumstances. The partnership builds on mutual trust, shared responsibility, and continuous improvement established through previous project cycles. Innovative homestay arrangements, adapted to the social context of both schools, will further strengthen intercultural exchange while ensuring inclusion, safety, and equal opportunities for all participants. Following the exchanges, students will disseminate the project results through the jointly produced film and local outreach activities, promoting the values of intercultural dialogue, peacebuilding, solidarity, and regional cooperation while ensuring the long-term sustainability and visibility of the partnership.	"E-Motion through Unity"
6171	OSMU "D-r Jovan Kalauzi" (Општинско средно медицинско училиште „Др. Јован Калаузи“)	MKD	Secondary Dental School Sarajevo (JU „Srednja zubotehnička škola“ Sarajevo)	BIH	Bitola, Sarajevo	The exchange project between OSMU "D-r Jovan Kalauzi" in Bitola and Secondary Dental School Sarajevo focuses on building friendships, challenging stereotypes, and strengthening intercultural understanding among young people. Through the project "Sharing Stories, Shaping Futures," students will participate in inclusive activities such as Sport for Development team games, creative storytelling and digital media workshops, cultural exploration, and community-based activities. Living with host families will allow participants to experience everyday life in another community, develop personal connections, and gain a deeper appreciation of different cultures and perspectives. Working in mixed regional teams, students will build trust, empathy, communication skills, and creativity while creating shared stories and messages that promote cooperation and inclusion. The exchange will conclude with a public presentation at which participants will share their experiences and project outcomes with the local community, creating a foundation for lasting friendships and continued cooperation between the two schools.	"Sharing Stories, Shaping Futures"
